

# NAPLAN 2013 Outcomes

All Queensland Schools

---

September 2013

[www.qsa.qld.edu.au](http://www.qsa.qld.edu.au)

**Queensland Studies Authority**

---

## Introduction

The following report shows Queensland student achievement in the 2013 NAPLAN tests on a school-by-school basis. Detailed reports on individual student achievement are sent to parents by schools each year.

The data provides only a snapshot of the school's results in the areas of literacy and numeracy. For comprehensive information about a school or your child's achievements at school, contact the school directly.

Additional information can be found at the NAPLAN website: [www.nap.edu.au](http://www.nap.edu.au)

## Reading the table

### School

Name of the school

### Locality

The city, town or suburb where the school is located.

### Year level enrolments

Total enrolments in the year level at the time the NAPLAN tests were undertaken.

### Year level (3, 5, 7, 9)

Shows the year level of the students tested.

### Average score of the school

Shows the average scale score of students at the school.

Raw scores are transformed into scale scores that allow comparison of students between year levels and in the future, across years.

### Percentage of students at or above National Minimum Standard (NMS)

The National Minimum Standards represent minimum performance standards in literacy and numeracy for a given year level.

### Reading (READ)

Students read a variety of texts and respond to multiple-choice questions.

### Writing (WRIT)

Students write a persuasive essay to demonstrate their knowledge and mastery of written language.

In 2013 the task was a persuasive essay, as it was in 2011 and 2012. The results from these three years can therefore be compared with each other.

From 2008 to 2010, students wrote a narrative text. NAPLAN's narrative and non-narrative writing tasks test different aspects of what is taught in the curriculum, so the 2011–2013 results cannot be usefully compared with the results of the narrative marking from 2008–2010.

### Spelling (SPEL)

Spelling requires students to do two things: correct an identified misspelt word and find and correct an unidentified misspelt word.

### Grammar and Punctuation (GP)

Grammar items require students to answer questions relating to grammar, such as subject-verb agreement, tense and parts of speech.

Punctuation items require students to recognise correct punctuation and to accurately insert punctuation.

### Numeracy (NMCY)

Students are tested in the key areas of:

- number
- algebra, function and pattern
- measurement, chance and data
- space.
